The Basis of Bearing is that depicted on the Record of Survey for Alethya Collins filed with the Amador County Recorder in Book 37 of Maps & Plats at page 79 on March 27, 1984 and replicated in that Plat of Crestview Estates Unit No. 1 filed with the Amador County Recorder in Book 6 of Subdivisions at Page 11. The necessary portion of the former survey was replicated to determine the western corners of the subject Parcels 8, 9, & 10. Monuments as described in the two cited documents were not found; however large nails had been placed in the positions of the lost monuments and were found to be located in substantially correct positions.
